div><div><div>Activision has once again stated that this year&#39

;s Call of Duty: Modern Warfare III is a "premium release." As such, i

t will costR$70 USD for the standard edition. Activision confirmed this to Charl

ieIntel, following ongoing speculation that Modern Warfare III might be a lower-

priced game.</div></div></div></div></div><div&

<div><div>Unfortunately, the simple answer as to why MW2 is set at s

uch a high price is that $70 has become the new standard for triple-

A games. Sony has been pushing aR$70 price tag on many of its games

 since the PS5 and Xbox Series X/S were released, charging more for versions tha

t were made for the upgraded console.</div></div></div></di
