Pop It Master is a casual browser-based online game

that has taken the world by storm. The game is based on the popular Pop

It, Simple Dimple and Squish toys that are loved by many, but still unknown to

some, especially the older generation. In Pop It Master you will interact

with Pop It. The game concept is simple and mimics the real-life

experience of playing with a Pop It toy. You will encounter Pop-its in different

shapes and your task is to click on them all. Once you've popped

them all, you'll advance to the next level, where a new Pop It

with an even more intriguing shape awaits. Pop It Master is a stress-relieving

game. So whether you're tired from school or work, take a break

and relax with Pop It Master. This new form of entertainment is worth
